

# Asherwood Nature Preserve

County: Wabash      Size: 60 acres  
Ownership: Marion Community Schools

## Location and Access

**Parking. Trail.** Access is through the Asherwood Environmental Learning Center which is on the north side of S.R. 124, 5 mi. west of S.R. 13. Part of the Asherwood trail system passes through the preserve.

**Description:** This preserve straddles Asher Creek, and includes deep, moist ravines and narrow ridge tops. There are good examples of mesic upland forest, dominated by beech and sugar maple, and dry-mesic upland forest, dominated by several species of oak and hickory. A small amount of floodplain forest is also present, with several small seep springs along the stream.
